

COVID MASKS & SHIELDS

General Composites is a contract manufacturer of efficiently made high-end composite and carbon fiber components for a variety of markets. The team is grateful for the opportunity to serve the community and for the ability to adapt and produce these products in a time of need.

2-Ply Protective Cotton Face Masks

General Composites' two-layer 6 oz hand made cotton face masks are reusable and come equipped with elastic ear headband support. The masks are available in small, medium and large sizes with no minimum order quantities. The masks are **\$5.60 each** plus shipping. Sales tax may also apply.

Protective Plastic Face Shields

General Composites' one-size 7 mil Z87.1 D3 approved plastic face shield comes with foam headband and elastic band support. The disposable shields are individually wrapped and come packed 50 to a master carton at a price of **\$6.40 each** plus shipping. Sales tax may also apply.

Email enquires to customerservice@generalcomposites.com.
